hey, hey
I'm a G, I'm a G, and I used to serve the beat, hey, hey,

And you say you a trapper, but only on cameras
Only on camera, only on camera
You say you a trapper, but only on cameras
Only on camera, only on camera

Bling bling blow my ring go wow
My pinker and wrist on cooler shit
Things I'm bout no new to this
Young sight, get that paper
And you know I'm first to the ...
Code of eye let me get this cake up
Thinking bout money soon as I wake up
... now look at me, look at my fly now check his ...
Look at his eyes trying to shake my feet, work
... now sipping on sirock, by the coco bang
