"I Like The Way You Do It"

Visit "[I Like The Way You Do It](#)" on MotoLyrics.com

This is the business
I'm in love with your style, watching you for a while
And maybe want you come and... outside
I'm in love with your style, watching you for a while
And maybe want you come and... outside
Uhhhhh
I like the way you do it babe
Uhhhhh
I like the way you do it babe

I will survive uhhhhh

Miss the deal, this the deal, this is real
... attention to the wheel

You can see how... precision for the kill
You just invited me to come and get a bite of...

To love on the bitch and drop a motorcycle through
Make a... The way that Michael do
Jackson is...
Don't worry about the bitch, I know I had the brain right
for through
Now would you like to see the shit...
I know you got a man tell him the sorrow I had...
No ain't... time talk about the meaning tile
Maybe we should hit the... the clean inside

[Chorus:]

I'm in love with your style, watching you for a while
And maybe want you come and... outside
I'm in love with your style, watching you for a while
And maybe want you come and... outside
Uhhhhh
I like the way you do it
Uhhhhh
I like the way you do it babe

I know you love the bitch...
Like the way I say...
Standing over her...
I'm fucking with her cousin bitch

... stay and say you really feel the way
Come... that's the sorrow you will kill the bay
... today
Try and...

And boy I see,
He say he got... might he or we
... you know how old team is...
They're from another town, fantasies and a lot of
sound
We need to pay attention to this paper and...
How it sound, buy a round, some of you buy you more
This came every time I doubt you make you seek and...
How it sound, buy a round, some of you buy you more
This came every time I doubt you make you seek and...

[Chorus:]
I'm in love with your style, watching you for a while
And Maybe want you come and... outside
I'm in love with your style, watching you for a while
And Maybe want you come and... outside
Uhhhhh
I like the way you do it babe
Uhhhhhh
I like the way you do it babe

[Chorus:]
I'm in love with your style, watching you for a while
And Maybe want you come and... outside
I'm in love with your style, watching you for a while
And Maybe want you come and... outside
Uhhhhh
I like the way you do it babe
Uhhhhhh
I like the way you do it babe
