Bitch I got my shirt off, got my shirt off
so gonna take my skirt off, take your skirt off,
bitch I got my shirt off, got my shirt off,
so gonna take my skirt off, take your skirt off
Bitch I got my shirt off, so gonna take your skirt off
Bitch I got my shirt off, so gonna take your skirt off

Bitch I didn't take my shirt off so you need to take your skirt off
when I pull it I didn't jerk off, on your face is what I squirt off,
and she not with it that's her loss,
and girl got bitches than her loss
I've been there drop in her loss,
got the dead I get that work off,
play then that's couple of thing I gotta tell thee hoes,
gotta seat in my tweet, gotta seat in my text email
these hoes
and I got a CC, key key, teleport all to a P street
and I only got an album to the pitchin the sower we're coming to
me me I'll be lone dick and your bitch
I'll put dick all in her back,
your ..grown in this bitch, and they know when they blowin their rex
okay I got a bitch so bad with an ass so fat
make you wanna slap your..
that is not your girl but I just gotta take your.. that she want me
P I double L I double, deepin double hoes,

got the double me twins, double lickin the low below
while I'm blessing that speaker boss em takin off their clothes,
and her bitch say she was hungry, so I took that hoe to moes.

Got my shirt off like I'm swimming 'cause I'm up and all

these women
tell that hoe to be quiet and till the motherf*cking finish
and after we get done then I take that bitch to business
then droll her in her mouth, like the motherf*cking..
get rock on your motherf*cking add gonna gonna get
let
shit tight me followin them bitch gonna hold your
breath
got the bitch and pop and learnin then ..the funniest,
got a bad one and ..then always ask when I'm con
if money keep coming then I'm keep chasing,
keep that p**sy in the door she like damn he chains
make the pussy up they like what is he facing
now she rolling on the dick I'm like damn she skatin
see I knew from his drop what you came out of skirt it
would not go down
so don't call my phone 'cause right now I'm knocking
don't hold down
I' turned up but she turned down,
kush blunted then blunt out, I'm a nigga you didn't
learned out
got my teeth I sweet her..
