All yeen gon believe this shit, when you open up the
paper and you read this shit
All yeen gon believe this shit, when you open up the
paper and you read this shit
All yeen gon believe this shit, when you open up the
paper and you read this shit

Hey, get your hand about my face,
Before they can't come out my way
I'ma pop this top then your body gonna drop,
Leave more than the bandages on your face
And I understand it from the...
The home of ... equipped with ...
If I'm hungry and you're eating, give me that sandwich
off your plate
Yes I'm a rider, like the moving truck
Face down, tune it up
Love the way you moving girl
But that's the way I like to fuck
Catch a break and... we gonna do more than just write
you up
Break it down, light it up,
...lighters up
You against me like a chihuahua trying to go by the
buss
Niggas riding with me hard enough to put they title up
Loose with it...
Listen to your bullshit but homie ...
Since niggas wanna be on spaceships, we playing
Gallagher
Soon ... that bitch look...
One false move and you'll be pissing through a
catheter
These niggas say they hard but they be softer than
some...
Callicos tear they stomachs up, make them vomit up
Looking like they ate some red velvet...
D.O.A. at least that's what the tag on his toe say
Wicked when I kick it, first down to Vicky
They say you're in the building nigga, all you hear is
crickets

Got your bitches telling me to do it baby stick it
I went 50 on the ... about to get a ticket
... just listen, I'm prolly now the nigga that you wanna
be
... no chance on returning me
... crack bone, corona shit
Bitch, and I ain't talking ... shit get proper...

All yeen gon believe this shit, when you open up the
paper and you read this shit
All yeen gon believe this shit, when you open up the
paper and you read this shit
All yeen gon believe this shit, when you open up the
paper and you read this shit
All yeen gon believe this shit, when you open up the
paper and you read this shit.
