It seems just like yesterday,
Was the first time that I
Heard you call my name,
Since then so much has changed,
I'm still the same man that I was before

Knowing that I could be without anything,
Scares me away from being alone,
Now that I know what's going on,
I could look back and see you,
And time made you wait,
As I turned away

If I could rewind,
Watch all my life,
Just pass me by and see you,
If i could rewind,
Take back the lies,
And all of those times I hurt you

I don't know if I'll ever know,
Exactly how much that I hurt you,
Knowing that hurts me everyday,
If i could rewind i would take it away,
And i make you wait,
And I wont walk away,

If i could rewind,
Watch all my life,
Just pass me by and see you,
If i could rewind,
Id take back the lies,
And all of those times i hurt you,

I wanna take back all those
Lies,
I wanna take back all those times,
I wanna show you in my life,
That im here for you,

If i could rewind,
Watch all my life,

Just pass me by and see you,
If i could rewind,
Take back the lies,
And all of those time I hurt you,
If i could rewind,
Watch all my life,
Just pass me by and see you,
If i could rewind,
Take back the lies,
And all of those times i hurt you.
