Give me a word
Give me a sign
Show me where to look
Tell me what will I find (What will I find)
Lay me on the ground
Fly me in the sky
Show me where to look
Tell me what will I find (What will I find)

Whoa, heaven let your light shine down [x4]
On me

Love is in the water
Love is in the air
Show me where to go
Tell me will love be there (will love be there)
Teach me how to speak
Teach me how to share
Tell me where to go
Tell me will love be there (will love be there)
Whoa, heaven let your light shine down [x4]
On me

Love is in the water
Love is in the air
Show me where to go
Tell me will love be there (will love be there)
Teach me how to speak
Teach me how to share
Tell me where to go
Tell me will love be there (will love be there)

Whoa, heaven let your light shine down [x4]
On me
Whoah, let your light shine down [x4]

Let it shine!
