Could say it's cold,
But I'm out of excuses.
So it's time,
To just go at it.
Oh, changed my mind,
And I feel like
Changing my mind.

Try to be good,
But I get tired,
Running around,
Trying to manage all that I was,
All around me,
All that I was.

I want to live in the time,
When you cherished me.
Oh, to go back to the place,
When your hands moved over me.
Tell me it's there,
Just beyond me.
Tell me you're saving it for me.

Oh, and it's slow,
Living in this.
Oh think ahead,
To sometime later.
And all that I was,
Is all around me.
All that I was.

I want to live in the time,
When you cherished me.
Oh, to go back to the place,
When your hands moved over me.
Tell me it's there
Just beyond me
Tell me you're saving it for me.

I want to live in the time,
When you cherished me.
Oh, to go back to the place,

When your hands moved over me.
Tell me it's there
Just beyond me
Tell me you're saving it for me
