Tonight I lack the strength to even move,
When you walked, now watch me die

For I know this is harder for you,
For love has let you down, yeah c'mon

The road ahead is lined with broken dreams,
So walk, walk on by

And I failed to give you everything you need,
For the fears, behind your eyes

When I can't feel you,
I'm not alright, I'm not alright,
When I can't heal you,
I'm not alright, I'm not alright

When I can't feel you,
I'm not alright, I'm not alright,
When I can't heal you,
I'm not alright, I'm not alright

Jesus as you throw me on the rocks,
For love I left your side

For I believed in love and beauty's wiles,
Where heaven shone from your eyes

When I can't feel you,
I'm not alright, I'm not alright,
When I can't heal you,
I'm not alright, I'm not alright

Tell me that it wasn't all for naught,
It's such a waste now, It's such a waste now c'mon
I know your scared but baby don't you hide,
It's such a waste,
We'll stand alone now, you'll make it somehow
