[Pimp C]

Uhhhhhhh!  
Money by the ton,  
Bricks from crumbs,  
Billionaire from nothin,  
Mind on hustlin,  
Pussy's a commodity,  
But dicks sell better,  
Went from Dickies and house shoes to a cashmere  
sweater,  
Paint that got wetter than it was in nine four,  
The drank that got thicker and the dirt weed dro,  
Nine six Impala with the stick on the floor,  
Nice Bentley, four doors, with madrona on the door,  
Light wood nigga, polo fuck ? ? ? ? ?,  
? ? ? ? ? Slim Thug,  
? ? ? ? ? full of drugs,  
Young hog, nigga,  
Underdog, nigga,  
? ? ? ? ?, pussy nigga,  
Yellow diamonds on my finger,  
Playin in the ?cock?,  
My dick wanna fuck but my pockets say stop,

Not cuz they empty I'm just greedy for some more,  
I need some more dough I'ma P-I-M-P fo sho.

[Lil Wayne]

Ok- Let's talk money,  
That's my lingo,  
You gon always see me with cash like Tango,  
That nigga Pimp called me 'fore he left this bitch,  
Told me keep doin ya thing and don't tell 50 shit,  
South in ya mouth,  
New Orleans hog,  
Got a New Orleans gun and I shoot like Chris Paul,  
I am Mr. Go Hard,  
You boys just soft,  
And everybody know what I drink so a nigga never  
cough,  
And a nigga never snitch like a nigga never golf,  
And a nigga forever rich,  
But pussy will never cost,  
Because a nigga forever pimp,  
Cuz we were rather taught,  
By a nigga named Pimp and Bun B from Port Art,  
So, this is simply game, man, this is no art,  
And, Stunna is my Pa and ain't shit that he ain't bought,  
And, I'ma do the same so everything on Wayne and,  
If we talkin money you should let me explain it.

Haha- Young Moula, baby.
