Awww yeah... back in the lab once again... with my nigga Pimp C... you know Pimp we showed the world what it mean to unite... with the Free Pimp C movement... and all the soliders that represented... we appreciate ya... to my nigga Bun B that lead the ship... you showed em what keepin it real is all about...

and mamma.. yeah i said mamma...
your son is home out of the slave master system and we about to act real bad and make a bunch of money...

yo Pimp we been waitin on this one for a looong time...
and since the pimp is free give us some of that ghetto dope procces in Port Aurthor... Texas
