IN THE RAIN

The rain comes
Nothing can surprise us
As the rain in our hearts
See clouds crying
We wake up to another day
Slowly the day's getting bluer
See the Love
We're hanging on
Waiting for the sun to rise
We know it comes to us

chorus:

Love
Love is red as a burning sun
Love sometimes is blue as a rainy sky
Love
Love - simple feeling as a word
We can learn to survive dancing in the rain

Empty sky - silence
There is a quite storm
In our hearts
We won't cry 'cause of the blues
The rain's singing just for us
Against the emptiness
We come closer
Nothing can pull us apart
Let's enjoy the rain
It's time to dance

chorus:

Love
Love is red as a burning sun
Love sometimes is blue as a rainy sky
Love
Love - simple feeling as a word
Love can let us survive dancing in the rain
