The same city awaits me
Monday shudders, pull down the shutters
This city berates me
Dublin type wear and tear
Dublin type wear and tear
I think about not drinking
Then I drink not to think
Drink every last sup
My pockets, they're leaking
I drip and drop statements
Wasting my time

This is all I know, and I still can't find
Another place to go, another time
So full of life, full with a dozen beliefs
Keep it all together, I'm begging you please

So much flavour, I taste it, yeah
Friday flutters, it flies, oh it's all mine
A wink and a kiss, yeah
Sing a song o' six cents
Deadly buzz, get wrecked
Let's fill up our tankards
On the brink, on the brink
On the up everything
And who cares if it's raining?
Washed in our grey sky
Clean slate get by

This is all I know, and I still can't find
Another place to go, another time
So full of life, full with a dozen beliefs
Keep it all together, I'm begging you please

This is all I know, and I still can't find
Another place to go, another time
So full of life, full with a dozen beliefs
Keep it all together, I'm begging you please

And I still can't find
Oh oh oh
You

And I still can't find
Oh oh oh
You

And I still can't find

This is all I know, and I still can't find
Another place to go, another time
So full of life, full with a dozen beliefs
Keep it all together, I'm begging you please

This is all I know, and I still can't find
Another place to go, another time
So full of life, full with a dozen beliefs
Keep it all together, I'm begging you please

This is all I know, and I still can't find
Another place to go, another time
So full of life, full with a dozen beliefs
Keep it all together, I'm begging you please

And I still can't find
Oh oh oh
You

And I still can't find
Oh oh oh
You
