I didn't been around, I didn't have my ,  
You never wanted,  
I don't even care where my home is what really tell ya  
I'm thinking about,  
Tell me that you feel, just tell me that I feel for you  
Tell me that you want, exactly what I want from you  
It doesn't even matter where you're coming from  
I want you what you are or , now  
Be the man that your mama likes  
I'll be the one that will change your life  
I'll be the son that your daddy wants  
I'll be the king that you need girl but

I need a queen for my kingbed, tell me that you want it  
You'd be the only one that's get it upon it  
Queen for my kingbed, tell me that you need it  
You'd be the only one that's get in ,  
I need a queen in my life, that can share my ,  
, lay my head  
I need a queen for my kingbed, tell me that you want it  
You'd be the only one that's get it upon it

They call my , got another ,  
Meet me in , I'll be in a Ferrari  
, really care, to find a love that you always,  
A moment like this, cause ,

Be the man that your mama likes  
I'll be the one that will change your life  
I'll be the son that your daddy wants  
I'll be the king that you need girl but

I need a queen for my kingbed, tell me that you want it  
You'd be the only one that's get it upon it  
Queen for my kingbed, tell me that you need it  
You'd be the only one that's get in ,  
I need a queen in my life, that can share my ,  
, lay my head  
I need a queen for my kingbed, tell me that you want it  
You'd be the only one that's get it upon it, I'm on it

I'ma give you all the love, I'll make sure ,

,everybody clear the room, make way for the queen

I need a queen for my kingbed, tell me that you want it  
You'd be the only one that's get it upon it  
Queen for my kingbed, tell me that you need it  
You'd be the only one that's get in ,  
I need a queen in my life, that can share my ,  
, lay my head  
I need a queen for my kingbed, tell me that you want it  
You'd be the only one that's get it upon it, I'm on it X 2
