Well, east coast girls are hip; I really dig those styles they wear. And the southern girls with the way they talk, they knock me out when I'm down there. The mid-west farmer's daughters really make you feel alright and the northern girls with the way they kiss, keep their boyfriends warm at night. I wish they all could be California, I wish they all could be California, I wish they all could be California girls. The girls. West coast has the sunshine and the girls all get so tan. I dig a French bikini on Hawaiian islands, dolls by a palm tree in the sand. I been all around this great big world and I've seen all kinds of girls, but I couldn't wait to get back to the cutest girls in the world. I wish they all could be California, I wish they all could be California, I wish they all could be California girls. The girls. I wish they all could be California ,wish they all could be California. I California girls.
