I get around from town to town. I'm a real cool head; I'm makin' real cool bread. I'm gettin bugged drivin' down the same ol' strip. I gotta find a new place where the kids are hip. My buddies and me are gettin' real well known. Yeah, the bad guys know us and they leave us alone. I get around from town to town. I'm real cool head; I'm makin' real good bread. We always take my car 'cause it's never been never beat, and we've never missed yet with the girls we meet. None of the guys go steady 'cause it wouldn't be right to leave your best girl home on a Saturday night. I get around from town to town Im a real cool head; I'm makin' good bread.
