Look at the way she moves got me hypnotized, got me mezmorized by the way she's lost in the groove and she even got me switchin to the mood girl you got me drinkin and, you got me thinkin when the party ends that's when we start a steamy hot session on the back seat and that's when im commin on ya sexy.

Sexy Mama, ooh sexy mama
girl cut the drama
i know you wanna dance with me
Sexy Mama, ooh sexy mama
girl cut the drama
come and take a chance with me tonight

I dont even care if you got yourself a man coz as long as your here, your mine baby i dont want my homies to be stopin and starin at ya coz girl your only mine tonight i dont wanna put up a fight so girl just tell me if you gonna give in tonight Coz that's all i see and thats all i need now me and u gonna get some privacy

Sexy Mama, ooh sexy mama girl cut the drama i know you wanna dance with me Sexy Mama, ooh sexy mama girl cut the drama come and take a chance with me tonight

Now you tellin me that you want it too fixin you up is what i wanna do told me you wont mind if i can, make you feel allright frm the start to the end of the morning light girl and you know that im into whites for now thats another reason why them nigga chicks wanna frown so girl get down
