Won't you be good to yourself  
Don't you feel like coming home  
It'll be good  
It'll be like coming home

Blend all your days into weeks  
Keep all your thoughts to yourself  
It'll be good  
It'll be like coming home

Because you need a place to stay  
And I've been feeling dead since you went away  
You better believe what I tell you 'cause you're coming  
home

Won't you bring light to my day  
Won't you be somebody new  
It'll be good  
It'll be like coming home

And tell me that you wanna be  
With nobody else but me  
It'll be good  
It'll be like coming home

Because you need a place to stay  
And I've been feeling dead since you went away  
You better believe what I tell you 'cause you're coming  
home

But oh, its not a joke  
Its got a butler, and a maid, and a stove  
Its nothing new  
Its up to you  
And when I feel it  
I hope you feel it too  
Did you hear it  
Yeah I heard it  
And I think shes coming home to me
