Ohh Ohh ahhh ohh ohh ahh ohh ohh ahhh ohh ohh ahhh  
(baby yeah yeah)  
ooh ooh ahhh ooh ohh ahhh  
(baby yeah yeah)  
ohh ohhh ahhh oohh ohh ahhh

I know you mean well, when you tell me that you care  
about me boy, but to what degree i need to know how  
deep you feel...  
i need more than good conversation, i need somethin  
thats forever not today, i need a man who can show me  
the patience, to be with me through it all...to always  
stay...  
(is it real), can you give me attention, (is it real) all your  
love and affection, (is it real) want your dedication, if  
you can show that you love me then maybe this is real...  
Ohh ohh ahhh Ohhh ohh ahh ohh ohhh ahh ohh ohh  
ahhh

How could i be sure that the feelings we feel are  
mutual, unless you tell me i need to know just where  
you stand.  
i need more than physical satisfaction, i need somethin  
that will always be mine, i need you baby to show me  
the patience, to be with me through it all, for all of time.

(is it real) can you give me attention,(is it real) all your  
love and affection,(is it real)want your dedication, if  
you can show that you love me baby, then this is real...  
ohh ohh ahhh ohh ohh ahh  
ohh ohh ahh oohh ahh ohh ohh ahh ohh ohh ahh...

Can you give me attention, all your love and affection,  
want your dedication, (if this love is real, if you can  
show me you love me) can you give me attention, all  
your love and affection, want your dedication... (Repeat  
chorus) (To the end)
