Is it fair for me to say  
That I'm not the only one of us that feels this way  
I can read it on your face, yeah  
I'm not the only one, you've got to feel the same

And the words, they won't come out of my mouth  
But I want you to hear them

What do you do at night when you're all alone and  
you're locked inside your  
House  
Are you thinking of me woah oh oh

And what do you listen to when your friends are round  
and you're up inside  
Your room  
Do you listen to me  
'Cause I hope you do

We took a walk down to the beach  
'Cause you said you love the feel of the sand beneath  
your feet  
We threw pebbles in the sea, oh  
You threw the furthest, but I won't admit defeat

And those days are long gone now my love  
And I must say that I miss you

What do you do at night when you're all alone and  
you're locked inside your  
House  
Are you thinking of me woah oh oh

And what do you listen to when your friends are round  
and you're up inside  
Your room  
Do you listen to me  
'Cause I hope you do

Woah oh oh, 'cause I hope you do  
Woah oh oh, 'cause I hope you do  
'Cause I hope you do woahh oh oh oh

What do you do at night when you're all alone and  
you're locked inside your  
House  
Are you thinking of me woah oh oh

And what do you listen to when your friends are round  
and you're up inside  
Your room  
Do you listen to me  
'Cause I hope you do  
'Cause I hope you do woah oh

What do you do at night when you're all alone and  
you're up inside your  
House  
Do you think of me  
'Cause I hope you do
