From a whisper in the wind to a loud scream  
The message came that I've lost you  
To the warmth of another man

For heaven sakes, girl, don't do this to me

I've seen more tears fall from your eyes  
Than all the showers of April  
I took kindness for granted  
As if it came with the wallpaper

So inconsiderate of how much you cared  
For some stupid reason I just thought you had to be  
there

But, oh my love, you've lost it  
Oh, my love, she's gone  
My love, you've lost it  
She's long gone

For heaven sakes, girl, don't do this to me

I simply must have been crazy  
I must have been out of my mind  
To overlook the need in you  
How could I have been so blind

Never giving thoughts to your wants and needs  
But now I'm begging, my baby, please, please, please

But oh, my love, you've lost it  
Oh, my love, she's gone  
My love, you've lost it

So inconsiderate of how much you cared  
For some stupid reason I just thought you had to be  
there

But oh, my love, you've lost it  
Oh, my love, she's gone  
My love, you've lost it  
She's long gone
