all aboard this ol' train
I got to get away, I got to get away,
I see you wavin', wavin' goodbye
I got to get away, as you wave goodbye
as you wave goodbye, as you wave goodbye

I'm tossed into the wake
you reach land, I hope to sail
I'm tossed into the wake
you reach land, I hope to sail

all aboard this ol' train
I got to get away, I got to get away,
I see you wavin', wavin' goodbye
I got to get away, as you wave goodbye
as you wave goodbye, as you wave goodbye

I'm tossed into the wake
you reach land, I hope to sail
I'm tossed into the wake
you reach land, I hope to sail

I'm shot again, shot again.
I'm shot again, shot again.
I'm shot.
