It's raining, raining down on me, yeah  
I'm drowning, I'm drowning in misery, yeah  
I'm thinking that now I'm alone  
I just want to be going home  
I wish you were by me to hold me  
And help me pull through

Girl, I'm crying, crying out to you  
And I'm hoping, hoping I'm getting through  
I've never been feeling so low  
But I can't let my pain ever show  
But from your eyes  
I have to hide these feelings inside  
That's why I'm crying

That's why I'm saying  
It's raining, I'm crying, I'm sinking, I'm dying  
It's raining, I'm crying, I'm sinking, I'm dying  
Oh I'm sinking, I'm sinking in the crowd  
Sinking in the crowd  
I'm praying  
I'm praying out loud  
I'm praying out loud

Well there's ache in my soul never seen  
Ache in my soul never seen  
Can I sit back find myself something  
Find myself something  
Outside I play cool  
But inside I'm hurting for you  
Oh darlin', outside I play cool  
But inside I'm hurting for you

Oh little darling, I'm crying inside  
Oh, I'm thinking about you, yeah  
My my my my my my my little girl ....
