The summer of love

The summer, summer of love

The summer of love [2x]

I can feel the onflow, like a million times before
I can feel your heartbeat and I'm screaming out for
more
I can touch the white clouds running high above the
ground
And it feels like heaven, now it's paradise in sun

The summer of love
I can feel the sun against my skin
The summer of love
Let it come and wash away my sin
[2x]

The summer of love [3x]

Summer, summer of love
The summer, summer of love
[2x]

We can stay forever in a fantasy so true
It will last a lifetime if we only follow through
I don't want to let go when the summer's left and gone
So, I keep believing 'cause I know it won't be long

The summer of love
I can feel the sun against my skin
The summer of love
Let it come and wash away my sin
[4x]

Summer, summer of love
The summer, summer of love
[2x]
