Tonight
Lift up your heart and fly
Into and under blue skies
Reach out your hands
Tonight

Tonight
Everything feels so bright
See all the wonderful sights
Let's make a start
Tonight

So free those thoughts in your mind
It's time to leave them behind
And let go, the fear and the sadness inside

Tonight
Lift up your heart and fly
Into and under blue skies
Reach out your hands
Tonight

Reach out your hands
Tonight

Tonight
Everything feels so bright
See all the wonderful sights
Let's make a start
Tonight
