Every generation will praise You, Jesus,  
Every knee before You will fall;  
Every tongue will one day confess  
that You are King and Lord of all.  
Every soul redeemed by Your loving grace  
will bow before Your throne,  
Every heart will sing with grateful praise  
that You are Lord alone.

Lord alone, Lord alone;  
Every generation will name You Lord alone.  
Lord alone, Lord alone;  
Every generation will name You Lord alone.

Every generation will praise You.  
Lord alone!  
Every generation will praise You.  
Lord alone!  
Every generation will praise You.
