But I won't hesitate no more, no more
And now you want me one more time...
Only got twenty dollars in my pocket
I-I-I'm huntin'

Hey mama rock me
So rock me mama like a wagon wheel
Rock me mama any way you feel
And now you want me one more time...
Rock me mama like the wind and the rain

Rock me mama like a south-bound train
Hey mama rock me
I'm gonna pop some tags
I learned to live half alive

I'm gonna pop some tags
It cannot wait, I'm yours
I learned to live half alive

Minamahal kita 'pagkat
Di akalaing sabihin mong ako na 'yon
Nasa 'yo na ang lahat
