[SPOKEN]:

Good afternoon ladies and gentlemen and welcome to  
Pink Airlines. We hope your  
Flight is enjoyable and our flight attendants are here to  
insure your ride is  
As pleasant as possible. Seat backs and tray tables  
must be in the upright  
And locked position during the take-off and landing. All  
carry-on luggage must be stowed in an over-head  
compartment or under the seat in front of you...

Waiting on a ticket  
'Cause you're looking for the ride  
You're feeling on top  
'Cause you're flying through the sky  
You wanna have your cake  
And you wanna eat it too  
Everybody's always pointing fingers at you  
You're damned if you do  
You're damned if you don't  
We're always doing all the things  
That we say we won't

[CHORUS]:

Here we go  
We're riding on a whim  
Connecting with a rendezvous  
Here we go  
We're jumping off the wings  
We're going round in circles  
It's a catch 22  
Yes, we're flying round in circles  
It's a catch 22  
Yes were rocking round in circles  
It's the catch 22

[SPOKEN]:

If you are seated in an emergency exit aisle and feel as  
though you are unable  
Or unwilling to assist in case of an emergency, please  
notify a flight

Attendant immediately. All electrical equipment,  
including cell phones, 2-way  
Pagers, portable CD players, laptops, etc. should  
remain in the off position  
Until the pilot notifies us that we are at a safe flying  
altitude of 10,000 ft.

Looking from the outside  
You're always looking in  
You think you fixed the problem  
'Til it comes right back again  
And life seems like a trap  
You're trying to get out  
You're searching for you cheese  
'Cause you feel like mighty mouse  
You're damned if you don't  
You're damned if you do  
You've seen all the signs  
But you haven't got a clue

[CHORUS]  
You are in for the ride of your life  
[CHORUS]

[SPOKEN]:  
We realize you had many choices and on behalf of all  
of us at Pink Airlines, we'd like to thank you for flying  
with us. We hope you have a wonderful stay wherever  
your destination may be, and remember be careful  
when retrieving your items, as during the flight they  
may have shifted and might fall on you or your  
neighbor's head and knock you the fuck out.
