This girl at another table

Started singing "Danny Boy"

And staring at me  
With a mischevous grin  
Drawing me in with her eyes  
And then she held me there  
With her lips  
Everybody in the cafe laughed

Dazed, I walked back

To my table and received

Some very disturbing news

"Good job, dude", Anandi said  
"You just kissed Crazy Horse's girlfriend"  
Now I'm in deep shit,

I said to myself

That's the worst news

I've ever heard

I had a bag over my head already,

Bleaching my hair,

But I pulled it down  
A little lower

Crazy Horse is the meanest

Of the meanest, the leader  
Of the lowest of the low  
The St. Paul skins  
With a bullet hole tatoo  
On his shaved head  
And I just kissed Crazy Horse's girlfriend

Anandi grabbed a napkin  
She drew a diagram

With red lipstick  
This is how you'll look  
When he gets through

You never should have come

In the first place  
And now the boot boys

Are gonna rearrange your face

"I tried to warn you", she said  
"But now you're going back to kiss her again"
