Doo doo doo doo doo doo
Doo doo doo doo doo doo

We go where we like, we got over time
We get paid to rattle our chains
We go in the back, paint our money black
Spend it on the enemy

Sleepin' in the church, ridin' in the dirt
Put a banner over my grave
Make a body work, make a beggar hurt
Sell me somethin' big and untamed

Now our time
Real good time
Now our time (Now our time)
Real good time
Now our time (Said now our time)
Real good time (It's a really good time)
(Baby, you're mine)

We know how to pray, party every day
Make a desolation of play
Ridin' in a rut till the powers cut
We don't even have a good name

Sleepin' in the church, ridin' in the dirt
Put a banner over my grave
Make a body work, make a beggar hurt
Sell me somethin' big and untamed

Now our time (Doo doo doo doo doo doo)
Real good time (Doo doo doo doo doo doo)
Now our time (Doo doo doo doo doo doo)
A real good time
Now our time (Now our time)
A real good time (Yeah, yeah, yeah)
(Baby, you're mine)

Doo doo doo doo doo doo
Doo doo doo doo doo doo

Now our time (Doo doo doo doo doo doo)
Real good time (Doo doo doo doo doo doo)
Now our time (Said now our time)
Real good time (It's a really good time)
Now our time (Now our time)
Real good time (Doo doo doo doo doo doo)

Feel good, real good
It's the same old sayin'
Feel good, feel good
Don't got no brains

Feel good, real good
It's the same old sayin'
Feel good, real good
Don't have no brains (I don't got no brains)
Baby, you're mine
