You Took My Heads Up To Show Me How, You  
Promised Me To Be Around. Yes, Yes, That's  
Right. Heads Up Go To Somewhere Good. Yes,  
Yes, That's Right. If You Are Finally Here  
You Can Play With Me Instead You Play With  
Your Friends, I Know Good Plan's Because  
I Said Forever. And Never Heads Up.....  
Remember When We Play Sometimes And We Play  
Without Your FRIENDS. Oh-No No-No  
I Wish I Could Be Solin Now, I Wish I  
Could To Call You Good. I Give Up!! When  
Some Good Plan's Help. For There All Right. Get  
Something A Surprise For Me.  
We Were All Wrong. We Know Better Still  
You Play With Your Friends. And Never Heads Up.  
Yes, Yes, I Get You Locked In  
My Head, Yes, Yes, Until. Until We We Play  
Again. You Won't Forget Who's your best  
friend.....  
Who Is It? If You Are Finally Here You Can Play With Me  
Instead You Play With Your Friends, You Play With  
Someone Else,  
Because Your Best Friends Meeting Again.  
But I Play With My Best Friends Forever.  
I wish I could remember.....  
But I can Your memory.....  
You're In my own sleep.....  
My Darling  
Heads up  
My darling  
My darling  
Heads Up  
My Darling  
I'll miss you  
My darling  
Heads Up
