I keep thinkin' bout that little sparkle in your eye
Is it a light from the angels, or your devil deep inside?
What about the way you say you love me all the time
Are you liftin' me up to heaven just to drop me down
the line?
There's a ring around my finger, but will you change
your mind?
And you tell me that I'm beautiful but that could be lie
Are you a heartbreaker
Maybe you want me for the ride
What if I'm fallin' for a heartbreaker and everything is
just a lie
I wont be leavin' here alive
I wont be leavin' here alive, no
Temporary happiness is like waiting for the knife
Cause I'm always watchin' for someone to show their
darker side
So maybe I'll sit back and just enjoy all this for now
Watch it all play out see if you really stick around
But there's always this one question that keeps me up
at night
Are you my greatest love or disappointment in my life
Are you a heartbreaker maybe you want me for the ride
what if I'm fallin' for a heartbreaker and everything is
just a lie
I wont be leaving here alive
I might as well lay down and die
I'm holding on with both hands and both feet ooohhhh
Promise that you won't pull the rug out from under me
Are you a heartbreaker maybe you want me for the ride
I pray to god you're not a heartbreaker
This time around I wont survive cause if I've fallin' for a
heartbreaker
And everything is just a lie
I wont be leaving here alive
I might as well lay down and die
I wont be leaving here alive
