Yeah, yeah, yeah, yeahhh
La, la, la, la, la, la
I love you so much
I want to light you on fire
Show you how hot you are
I want you so bad
I want to punch you
In your face
Hit you
Till you see stars

I'm a passionate one
And you're my masterpiece
But baby
You must be warned
I'm a passionate one
And I will break you
To pieces
Trust me
I've done it before

I can't help it
(I can't help it)
I'll put you
On your knees
And I'll walk over you
Just to show you
How I feel
I'm in love with you
I love you so much
I wanna slash your tyres
To stop you
From driving drunk
Come over here
I want you
To taste my poison
To stop you
From eating drunk

I know you're the one
'Cause you're not afraid

You're not afraid of me
Let's give it some time
See if you get scared
'Cause maybe you should be
A little pain and pleasure
Never hurt no-one
I promise
To try to be better
'Cause you're the only one

I can't help it
(No, no, no)
I'll put you
On your knees
I can't help it
(Yeah, yeah, yeah)
And I'll walk over you
Just to show you
How I feel
I'm in love with you

I can't help it
(Can't help it)
I'll take you
Like a whore
And when I am done
With you
I'll feel no remorse
I'm in love with you
A little pain
A pleasure
Never hurt no-one

Yeah, yeah, yeah
I can't help it
No, no, no
I can't help it
(No, no, no)
I'll put you
On your knees
(I'll put you
on your knees)
I can't help it
(Yeah, yeah, yeah)
And I'll walk over you
Just to show you
How I feel
I'm in love with you
