[Chorus:]

Is it love, or just a curse  
Do you feel good when I hurt  
I need your heart to open up  
If this love's not real, then it's just my luck

Mommy help me, I need your help  
This little boy, he took my love  
And he says these things that make my body pump up  
But then he runs leavin me un-done  
And I don't understand  
For sex he said he'd be my man

[Repeat Chorus]

Daddy listen, I gave it up  
I'm not your little girl  
My cherry, and all the trust is missing  
But please listen, what do I do  
I know you wanna hurt him  
But I like what he do, he's only doin what you used to

[Repeat Chorus]

You never told me bout the birds and the bees  
Or bout hide n' go seek or what he gets when he finds  
me  
The biggest mistakes in the choices I make  
Won't you help me decide, what's goin down in my  
mind

[Repeat Chorus 2x]

That thing you're puttin on me  
Has got me so confused  
Won't somebody help me, tell me what should I do  
In my heart it feels so good, is it just a curse  
Will it get better, or will it get worse

[Repeat Chorus To Fade]
