Chorus: Sylk-E Fyne

It's like Romeo and Juliet
Hot sex on a platta just to make you sweat
Yousa' bout' to get in something you will never regret
And it's gonna be the bomb this is what I bet, Yep (2x)

Chili:

Since the first time I saw ya,
I knew I was attracted, reacted to the fact, on how you
made me act
Shy, but sexy at the same time,
All was on my mind was a little bump n' grind
Usually I don't play it that close
You got's to kick it with me
Before I serve you up with an overdose of that bomb
ass Punane'
Make you my man
Ain't got no love for nobody else but you
Cuz you's my boo
I prove to you, my love be true
So do you know where ya goin' to
Through thick and thin baby
You all in, Time will reveal
That my love for you will never end
My heart keeps tickin'
No time for trickin'
You who I'm pickin'
So lay me down
Just give it a good lickin'
I'll treat ya like my king cuz you're royal
And only give my love to you because I'm loyal
Escape with me, Come ova to my place
I'll teach you a few things in loving making
Now I can't wait, I won't wait
So take me by my arms and rock me baby
Cuz Imma always and foreva be yo lady

Repeat Chorus (2x)

Chili:

After our first night
You dicovered, who's the bombest mami
LA's finest, with my top dogz all around me
Down to ride
Harder to Bonnie and Clyde
With sexual heala's, you feel us
Baby, check my vibe
There'll neva be
A love like me
That got yo back in this industry
That got yo back in these streets
So you don't have to worry 'bout me, on the creep
And I don't want ya ever try to play me cheap
Cuz I don't sleep around
Because it's sleezy
Good lesson taught by my big hommie Eazy
I gotz to compliment ya on how you please me
Touch me but dont teaze me
Now put it in nice 'n' eazy
And Rub my body down I'm feelin' weezy
And cuddle up to me
Cuz now I'm gettin' sleepy
But Imma be dedicated to this relation
So stay away from all them cowards
So we can not be playa hated
Cuz if you wit me boo den
Keep it real
And if I catch you sleeping around
Then I'm gone have to chill
When you find good love
You best to keep it
I'm puttin' all my sistas up on games
So won't you peep it

Repeat Chorus (2x)
