Chorus:

Its like Romeo and Juliet

Hot sex on a platta just to get you wet

Yousa' bout' to get in something you will never regret

And its gonna be the bomb this is what I bet, Yup (2x)

Silk-E Fyne:

Since the first time I saw ya,

I knew I was attracted, reacted to the fact, on how you  
made me act

Shy, but sexy at the same time,

Always on my mind was a little bump and grind

Usually I dont play it that close

You gots to kick it with me

Before I serve you up with an overdose of that bomb  
ass Pu 90'

Make you my man

Aint got no love for nobody else but you

Cuz you's my boo

I prove to you, my love be true

So do you know where ya goin to

Through thick and thin baby

You all in, Time will reveal

That my love for you will never end

My heart keeps tickin'

No time for trickin'

You who I'm pickin'

So lay me down

Just give it a good lickin'

I'll treat ya like my king cuz you're royal

And only give my love to you because I'm loyal

Escape with me, Come ova to my place

I'll teach you a few things in loving making

Now I can't wait, I won't wait

So take me by my arms and rock me baby  
Cuz Imma always and foreva be yo lady

Repeat Chorus (2x)

Silk-E Fyne:

After our first night  
You dicovered, whos the bombest mammi  
LA's finest, with my top dogz all around me  
Down to ride  
Harder to Bonnie and Clyde  
With sexual heala's, you feel us  
Baby, check my vibe  
There'll neva be  
A love like me  
That got yo back in this industry  
That got yo back in these streets  
So you don't have to worry bout me, on the creep  
And I don't want ya ever try to play me cheap  
Cuz I don't sleep around  
Because it's sleezy  
Good lesson taught by my big homie Eazy  
I gotz to compliment ya on how you please me  
Touch me but dont teaze me  
Now put it in nice 'n' eazy  
And Rub my body down I'm feelin weezy  
And cuddle up to me  
Cuz now I'm gettin sleepy  
But Imma be dedicated to this relation  
So stay away from all them cowards  
So we can not be playa hated  
Cuz if you wit me boo den  
Keep it real  
And if I catch you sleeping around  
Then I'm gone have to chill  
When you find good love  
You best to keep it  
I'm puttin all my sistas up on gangs  
So won't you peep it

Repeat Chorus (2x)
