D-d-d-d- dreamboy
I had her future written now,
Everything and how it happens, yeah
Right down to the curtains babe,

But everything I wrote
Like a chemical reaction yeah faded
And to waste
You're a dream, dream, stealer, stealer
You're a dream, dream, stealer, stealer

But I'm not gonna lose sleep about it
Even though your side of the bed is cold
Now that you're gone I can dream about you
Won't cry on a pillow cause my dreams are gold
Think about it, dreams are gold

Aw-ah, aw-ah, aw-ah, aw-ah
When our future was together
Really thought it was forever
Yeah it still could be that way
But everything that happened
Like a chemical reaction
Now I could never stay

You're a dream, dream, stealer, stealer
You're a dream, dream, stealer, stealer
But I'm not gonna lose sleep about it
Even though your side of the bed is cold
Now that you're gone I can dream about you
Won't cry on a Willow cause my dreams are gold, gold,
gold
Think about it, dreams are gold

Aw-ah, aw-ah, aw-ah, aw-ah

Now that you're gone I can dream about you
Dream about you, dream about you, dream about you
Cause my dreams are gold, gold, gold
Think about it
These dreams are gold
Since you're gone I've been doing better

I don't even think about you, think about you
