When You climbed up on that hill
For You saw me with eternal eyes
While I was yet in sin
Redeemer Savior Friend

Every stripe upon Your battered back
Every thorn that pierced Your brow
Every nail drove deep through guiltless hands
Said that Your love knows no end
Redeemer Savior Friend

Redeemer redeem my heart again
Savior come and shelter me from sin
You're familiar with my weakness
Devoted to the end
Redeemer Savior Friend

So the grace You poured upon my life

Will return to You in praise
I'll gladly lay down all my crowns
For the name of which I am saved
Redeemer Savior Friend

Redeemer redeem my heart again
Savior come and shelter me from sin
You're familiar with my weakness
Devoted to the end
Redeemer Savior Friend

Redeemer redeem my heart again
Savior come and shelter me from sin
You're familiar with my weakness
Devoted to the end
Redeemer Savior Friend

Redeemer Savior Friend
