Love, to me, is like a summer day  
Silent 'cause, there's just too much to say  
Still, and warm, and peaceful,  
Even clouds that may drift by  
Can't disturb our summer sky

I'll take summer, that's my time of year  
Winter's shadow, seems to disappear  
Gay is swanee season,  
That's the reason I can say  
That I love a summer day

I hear laughter, from the swimming hole  
Kids out fishin', with the willow pole  
Boats come driftin', round the bend  
Why must summer, ever end...

Love, to me, is like a summer day  
If it ends, the memories will stay  
Still, and warm, and peaceful,  
Now the days are getting long  
I can sing my summer song

I hear laughter, from the swimmin' hole  
Kids out fishin', with the willow pole  
Boats come driftin', round the bend  
Why must summer, ever end...

Oh, love to me, is like a summer's day  
If it ends, the memories will stay  
Still, and warm, and peaceful  
Now the days are getting long  
I can sing, my summer song...
