Sit here and wonder why I've got no place to go  
Been waiting so long, I don't know what I've been  
waiting for  
Too much consistency has stopped me in my tracks  
Too many reasons why there ain't no turning back  
I'm chasing this dream, as hard as it seems  
And I've had to understand what it means  
Keep pushing on to where I belong  
To where I come alive  
Goodbye Carnaby Road! - Where I lost my mind  
Drove me out on my own - Left it all behind  
Now my moment has come - Till the end of time  
No more yesterdays - It's just the only way  
Only way - Lifetime holiday!  
Still running headstrong, but the stones don't break my  
stride  
I've fell to pieces, but I've never lost my pride  
Into the jungle of the Greedy and the Meek  
Against the powers of the obvious I speak  
I'm chasing this dream, as hard as it seems  
And I've had to understand what it means  
Keep pushing on to where I belong  
To where I come alive  
Goodbye Carnaby Road! - Where I lost my mind  
Drove me out on my own - Left it all behind  
Now my moment has come - Till the end of time  
No more yesterdays - It's just the only way  
Only way, so I pray, I'm going on a lifetime holiday!  
I've been waiting so long, I got no place to go  
Before I fall to pieces, yeah!  
Goodbye Carnaby Road! - I've been chasing a dream  
Drove me out on my own - And it's not all that it seems  
Now my moment has come - It's a road to nowhere  
Too many reasons why there ain't no going back  
Goodbye Carnaby Road! - I don't want to stay  
Drove me out on my own - So I've gone away  
Now my moment has come - Till the end of time  
No more yesterdays - It's just the only way  
Only way to a lifetime holiday, yeah!  
To a lifetime holiday, yeah!  
Come on now!
