Sitting, waiting for my life to get a reason, yeah  
Seems a good time to make it pay  
You know the story of the man who went to sea, yeah  
yeah!  
Got to get me some luck my way

Dreaming for a better day  
Gotta get this feeling  
If there is a better day  
Got to get to it

I've paid my price  
So don't dig my grave  
I've got a better day  
then my life's agreed

I've paid my price  
So don't dig my grave  
I've got a better day  
Come and let me feel my way

Saw a picture of some shining happy people in love  
Gonna get me there some day  
When I get older gonna play along with Jesus I know  
Maybe I'll just sit here and wait

Dreaming for a better day  
Gotta get this feeling  
If there is a better day  
Got to get to it

I've paid my price  
So don't dig my grave  
I've got a better day  
then my life's agreed

I've paid my price  
So don't dig my grave  
I've got a better day  
Come and let me feel my way

My life is changing so fast I can't explain it  
Getting older don't think that I should waste it  
Just got to get it right...

I've paid my price  
So don't dig my grave  
I've got a better day  
Then my life's agreed

I've paid my price  
So don't dig my grave  
I've got a better day  
Gotta let me feel my way

I've paid my price  
So don't dig my grave...  
I've paid my price  
So don't dig my grave...
