Why don't you go to a place
Where i don't have to see your face tomorrow, face
tomorrow?
I guess your bus is running late
I hate to say you can't have friends to borrow, friends
to borrow
It's hard to realize you only use me
And you can't hide behind your bold disguise
I guess you must be blind
Cause you can't see inside of me
Hey you, why are you messin' with me?
Are you trying to break me with psychology?
But I can't stand the shit that you say
If you don't really need me then don't you come down
my way
You call me up right after school
You hope to find yourself a fool to guide you, a fool to
guide you
I guess I got to let you down
You need to find another clown to help you, cause I
won't help you
It's hard to realize you only use me
And you can't hide behind your bold disguise
I guess you must be blind
Cause you can't see inside of me
Hey you, why are you messin' with me?
Are you trying to break me with psychology?
But I can't stand the shit that you say
If you don't really need me then don't you come down
my way
Down my way
Hey you, why are you messin' with me?
Are you trying to break me, are you trying to break me?
You raped my mind
I lost control
I guess you'll find
You're on your own
It's hard to realize you only use me
And you can't hide behind your bold disguise
I guess you must be blind
Cause you can't see inside of me
Hey you, why are you messin' with me?

Are you trying to break me with psychology?
But I can't stand the shit that you say
If you don't really need me then don't you come down
my way
Down my way
Hey you, why are you messin' with me?
Are you trying to break me with psychology?
But I can't stand the shit that you say
If you don't really need me then don't you come down
my way
Down my way
My way
Down my way
My way
Down my way
My way
Down my way
