This is my situation
Tell me what you would do
I'm always under pressure
And that's a lot to chew

I'm easy, I'm easy, I'm easy (I'm easy)
I'm easy, I'm easy, I'm easy like you
I'm easy, I'm easy, I'm easy (I'm easy)
I'm easy, I'm easy, I'm easy like you

They say it's only Human
To be or not to be
Deep stuff just brings confusion
But I know that nothing's gonna bring me down

I'm easy, I'm easy, I'm easy (I'm easy)
I'm easy, I'm easy, I'm easy like you
I'm easy, I'm easy, I'm easy (I'm easy)
I'm easy, I'm easy, and nothing's gonna bring me down

You know it never
You know it never
You know it never brings me down
You know it never
You know it never
You know it never brings me down

You know my situation
It's always as it's been
I try to keep it simple
Least it's my point of view

I'm easy, I'm easy, I'm easy (I'm easy)
I'm easy, I'm easy, I'm easy like you
I'm easy, I'm easy, I'm easy (I'm easy)
I'm easy, I'm easy, I'm easy like you

I'm easy, I'm easy, I'm easy (I'm easy)
I'm easy, I'm easy, I'm easy like you
I'm easy, I'm easy, I'm easy (I'm easy)
I'm easy, I'm easy, I'm easy like you

You know my situation...
