And I'm hoping to find that I'm not really blind
And i try to believe that there's something for me

Move on
Look at the stars and break into flight
Fly on
Out of the dark and into the light
Move on
Look at the stars and break into flight
Break into flight
Break into flight
Break into flight

Break into flight
I'm taking my time
Cause I think I'm in line
And I'm hoping to find...
