See a light

Not a phonic sound or a soul around

Isolation

I'm gonna do my time

I'm on the other side

The other side

Block out my anger

I tried to push and shove my way above

Lsurrender

I found my hidden peace

I'm on the other side

The other side

I'm on the other side

The other side

Fly, leave the world behind you

Dive out of the greed of mankind

See the light

Nonna let it shine, leave my fears behind

Nothing can shake me

I'm no longer scared

Fly, leave the world behind you

Dive out of the greed of mankind

I'm on the other side

The other side

I'm on the other side

The other side

I found that phonic sound

I found not a soul around

I'm gonna let it shine

Leave all my fears behind

Block out my anger

Block out my anger

I've found my way above

Lsurrender

I'm on the other side
