Done my time I'm guilty of nothing
My fighting days are over
Faces names they change so fast
Come on Lord, I feel much stronger
Too many days just wasting my time
Thinking that I was wrong
Lady, I'm not the kind to get stuck in the mud...
Queen bee
Are you telling me that you're lonely?
Queen bee
Well you got to be out of your mind
Queen bee
Got to believe what you tell me
Queen bee
Won't you let me out of your hive?
For the last time
You ain't a friend of mine, no
I've tasted the gutter like a peace of meat
That you chewed and spit away
I can't believe that I witness your greed
I'm stronger by the day
Lord, have mercy on this pitiful soul
It never should be this way
Lady, I'm not the kind to get stuck in the mud...
Queen bee
Are you telling me that you're lonely?
Queen bee
Well you got to be out of your mind
Queen bee
Got to believe what you tell me
Queen bee
Won't you let me out of your hive?
For the last time...
I've tasted the gutter like a peace of meat
That you chewed and spit away
I can't believe that I witness your greed
I'm stronger by the day
You can break down the door
You can drill into my mind
You can run me into the ground
Now I wonder
That I'm stronger

Wonder
Now Im stronger
Stronger
Queen bee
Are you telling me that you're lonely?
Queen bee
Well you got to be out of your mind
Queen bee
Got to believe what you tell me
Queen bee
Won't you let me out of your hive?
For the last time
You ain't a friend of mine
A friend of mine
A friend of mine
A friend of mine
A friend of mine
A friend of mine
A friend of mine...
