In my darkened room
Waiting, everyday
So now I'm lost in a dream
Knowing, the price I will pay

You know it's all I could do
Now that I'm through, hurting in my soul
Take all my sorrows away
Only for a day

All those wasted years (all those wasted years)
Memories are all I fear (all I fear)
All those wasted years
For the queen of sorrow (for the queen of sorrow)

All those wasted years (all those wasted years)
Must have lost a million tears (million tears)
All those wasted years
For the queen of sorrow (for the queen of sorrow)

Driving me out of my mind
Thinking, how I was wrong
I know that I was so blind
Dreaming, now I am strong

My heart was running on low
Now I can go, free to shed my skin
Take all my sorrows away
Free the soul within

All those wasted years (all those wasted years)
Memories are all I fear (all I fear)
All those wasted years
For the queen of sorrow (for the queen of sorrow)

All those wasted years (all those wasted years)
Must have lost a million tears (million tears)
All those wasted years
For the queen of sorrow (for the queen of sorrow)

I gave all my life to you, and I know
There's a reason it cuts like a knife

Yes, it cuts like a knife

You know it's all I could do
Now that I'm through, hurting in my soul
Take all my sorrows away
Take them away, and maybe I'll come back someday

All those wasted years (all those wasted years)
Memories are all I fear (all I fear)
All those wasted years
For the queen of sorrow (for the queen of sorrow)

All those wasted years (all those wasted years)
Must have lost a million tears (million tears)
All those wasted years
For the queen of sorrow (for the queen of sorrow)
She'll be gone tomorrow
She's the queen of sorrow, yeah...
