Can you hear the voices  
Giving all the choices  
Writing scriptures of tomorrow  
Drawing pictures filled with sorrow  
Will there be denial  
When we face the trail  
Shattered prophecy on the rock of ages  
Shattered prophecy now you're learning by turning  
away  
Using more than wisdom  
Could you make us listen  
Drivin' into absolution  
Waiting for a contribution  
Shattered prophecy on the rock of ages  
Shattered prophecy going through the stages  
Broken dignity like a falling angel  
Shattered prophecy now you're learning by searching  
turning the pages of life  
Will there be denial  
As we face the trail  
Do you hear voices?  
Distant, long gone noises  
Into absolution  
For the contribution  
Shaping new confusion
