Wake up
I have been waiting for you
To open your eyes
So that I can tell you

That I think I'm ready
I'm ready to freefall into
Into the unknown
If you wanna be with me

Oh I tried holding on for dear life
Dear life
Or something like it
Dear life
There's nothing like it

'Cause when you let go
And let life take you where it wants to
Give up control whoaaa
Let life take you where it wants to go
Where it wants to go

Trust me
'Cause I know it's terrifying
To open your heart and let it lead blindly

Oh I tried holding on
Keep holding on for dear life
Or something like it
Dear life
There's nothing like it

'Cause when you let go
And let life take you where it wants to
Give up control whoaaa
Let life take you where it wants to go
Where it wants to go

Oh I keep holding on for dear life
Or something like it
I keep holding on for dear life
Or something like it

I keep holding on for dear life,
Or something like it
I keep holding on for you

'Cause when you let go
And let life take you where it wants to
Give up control whoaaa
Let life take you where it wants to--

'Cause when you let go
And let life take you where it wants to
Give up control whoaaa
Let life take you where it wants to go
Where it wants to go
