

## 8in8 "Because the Origami"

Visit "[Because the Origami](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Because the Origami didn't work  
We gave you dancing lessons  
Because the dancing lessons made you bored  
We bought you a guitar

Because you said it made your fingers sore  
We found you a pony  
Because the pony broke your leg and ran away  
We got you drums

But the drums annoyed our neighbours so  
We gave you cooking lessons  
And the cooking lessons made you fat  
We bought you running shoes

If you hear this  
please  
We love you Tommy  
We know it never was  
about Origami

Because you took the shoes and ran away  
We gave them your description  
Now we haven't heard a thing in weeks

Because we don't know where you are  
We're putting out this song  
Because we think that you might hear  
And know where you belong  
So what did we do wrong?

If you hear this  
please  
we love you Tommy  
Please come home we've  
left your room  
Exactly  
Exactly

And if you ever hear this song  
Know we send our love  
Take your origami skills

And make a paper dove  
Send a message home  
We promise not to teach you  
We don't care what you've done  
We hope that this will reach you..

If you hear this,  
please  
We love you Tommy  
We won't ask you  
anything  
We won't be angry
