Lets Go To The Show

I
Wanna call you just tonight,
Wanna invite you baby
Now
There's a show where we can spend
A good time together

I wanna stay with you my lover
Baby come with me now
There's an exciting show to see
Gotta come with me

x2 Let's go to the show! It's to great to know
You will come to Automesse with me
You will see with your eyes
Many things so nice!
You can see many dreams come true
Welcome to the show, it's so great to know
Automesse is infront of you
You can close your eyes! I will take you higher!
Wanna find somethin' cool for you..

Love
Now surrounding me and you
It will last forever
So
Do you like to walk with me
At the show together?

I wanna stay with you my lover
Baby come with me now
There's an exciting show to see
Gotta come with me

x2 Let's go to the show! It's to great to know
You will come to Automesse with me
You will see with your eyes
Many things so nice!
You can see many dreams come true

Welcome to the show, it's so great to know
Automesse is in front of you
You can close your eyes! I will take you higher!
Wanna find somethin' cool for you...
